

Prateći linije odvedi gusjenicu na pravo mjesto

The worksheet contains ten rows of tracing practice. Each row begins with a green caterpillar on the left and ends with a food item on the right. A dotted wavy line connects the caterpillar to the food item. The first four rows have solid black dotted lines, while the last six rows have light gray dotted lines. The food items are: a slice of cake, an ice cream cone, a cucumber, a slice of cheese, a kiwi, a sandwich, a lollipop, a slice of pizza, a carrot, a cupcake, and a slice of watermelon.
