

Prateći linije odvedi gusjenicu na pravo mjesto

The worksheet contains ten rows of tracing practice. Each row begins with a green caterpillar on the left and ends with a food item on the right. A dotted wavy line connects the caterpillar to the food item. The food items are: a slice of cake, a pink ice cream cone, a green cucumber, a slice of Swiss cheese, a purple sausage, a sandwich, a lollipop, a slice of pizza, a carrot, a cupcake, and a slice of watermelon. Below the tracing rows are seven rows of seven dots each, for independent practice.
